

Superintendent

Kelly Lusk

klusk@farwellschools.org

806-481-3371 Extension 1011

My name is Kelly Lusk and I have served as superintendent at Farwell ISD since August of 2013. I started my career in education in the fall of 1990 coaching baseball at the junior college level. I worked as a grad assistant for two years in Hillsboro, Texas and Plano, Texas before starting my career in public schools. Beginning in 1992, I taught 7th, 8th, 10th and 11th grade Texas History, American History, Western Civilization and Gifted/Talented in Texarkana, Texas ISD, McLeod, Texas ISD and Redwater, Texas ISD. I served as an elementary principal, junior high principal and high school principal from 1999 until 2013 in Redwater. I also served the district in various other capacities while a principal, including coaching cross country and serving as transportation director.

My wife, Schelli, works as curriculum director in Farwell. We have four children. Andrew graduated with a degree in History from Stephen F. Austin University in 2015. Mathew graduated from Lubbock Christian University with a degree in Mathematics in 2016. Kaitlin Marie graduated from Farwell High School in 2015 and attends Clovis Community College. Zachary is a freshman at FHS.

I truly love spending time with young people and the educators that guide them. My goal is to make a positive difference in the life of your child. I am here to serve this community. Please do not ever hesitate to contact me with any questions.
