

FARWELL EDUCATION FOUNDATION

Our History

In 2001, several alumni of Farwell ISD got together to form a committee to study and investigate the possibility of creating a foundation that would benefit Farwell ISD.

Upon inception, the first order of business for the Farwell Education Foundation was to establish what the Foundation wanted to accomplish. It was decided the Foundation would serve two purposes –

- Establish a scholarship fund
- Establish a school improvement fund

The Education Foundation has awarded \$160,000 to Farwell High School graduates.
